

## **AZFC JR AND SR DEFAULT RULES**

5 Batters per inning-Whether you get 3 outs or no outs, the pitcher will face 5 batters

Walks are counted as a batter. If you choose to leave a batter at the plate, it counts as 1 of the 5 batters faced.

Hit by pitch - The batter may choose to take this as a ball. If it is the 4th ball, this becomes a walk and counts as a batter.

Hitting team can choose which 5 batters hit every inning. If a college is there to see one particular player, the coach may choose to let that player hit 3 straight innings.

No score is reported. Play the full 2 hours. Get as many innings as you can and don't cheat the other team out of at-bats.

Please do not argue with umpires regarding balls/strikes/outs.

Do not waste time with mound visits or talking with umpires.

Have pitcher/catcher ready to hustle out to mound to get ready in between innings.

Try to get as many innings in as you can.
